

The Afrodita Project aims to:

- Support adults at risk of exclusion by providing non-formal education through art & sport training and guidance;
- Empower and strengthen the role of social workers / mentors / coaches, exchanging best practices on art & sport pedagogical approaches;
- Build close cooperation between civil society, education and sport organisations, local authorities and the private sector to ensure the active participation of all members of the learning community in acquiring key competences of the adults at risk of exclusion;
- Involve the wider community in the promotion of EU strategies for LLL (life-long learning) and social inclusion of disadvantaged adult learners.

This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein

Key target groups:

- Disadvantaged adult learners: Migrants and refugees, unemployed, NEETs and early school leavers, people from rural area;
- Adult Education Providers;
- Sport clubs;
- Public Institutions;
- Civil Society Organisations.

Expected results:

As long-term benefits are expected the empowering and re-skilling of marginalised adult learners in the 4 partners' regions and other EU countries, thanks to the transferability of the developed outputs; equipping adult educators with new tools, using sport and art approaches; supporting the social inclusion of vulnerable adults, providing quality tailored education; networking at EU level for development of key competences and improvement of the basic and transversal skills of the EU citizens.

Main activities:

- Transnational meetings
- Development of Training Toolbox as main project output
- Joint Staff Training
- Pilot workshops in Germany, Greece, Italy & Spain
- Dissemination & awareness raising
